## Breaking News

Secretary of State, Hillary Clinton, announced today the start of peace talks between the Palestinians and Israel. On Wednesday night, September 1, the United States will host a dinner to resume the peace talks for the Middle East. On Thursday, September 2, the bilateral talks will include Jordan and Egypt.

Secretary of State Clinton stated that former British Prime Minister, Tony Blair, would be invited along with Prime Minister Netanyahu and President Abbas.

Prophecy students should note two powerful points. First, the United States placed a timeline on the Peace Talks. The peace shall be brought to the world within one year! The Bible speaks of the call for “peace and safety.”

Second, our Secretary of State declared that these talks would not be about surface issues. This would be known as the “FINAL STATUS TALKS” and would include the resolution of Jerusalem. The Bible declares that this will be a “trembling cup” for the world!

Don't forget to be a part of our **PROPHECY CONFERENCE** on October 21 and 22, in Myrtle Beach, SC. Squire Parsons will lead our music and our special guests will be Dr. Fred Allred and Gershon Salomon.
